

Sport Premium Overview - School's Vision Statement

Our vision for Canklow Woods Primary School is one of high standards achieved through the creative nature of the curriculum offered. We have a learning culture of high and realistic expectations of everyone, children and adults alike. We believe that engaging children as active participants in their learning is crucial, not simply being recipients of knowledge. Children are not seen as vessels to be filled. We provide opportunities for problem solving, creativity and independence in order to promote confidence and maturity. There are many aspects of the educational process that we judge to be non negotiable, views that we hold with a passion about children's education.

These include:

- High expectations for every child to achieve their full potential, whatever their circumstances, by providing them with the foundations for future learning and for success in life.
- An ethos that nurtures, cares and provides a safe and secure learning environment for all children.
- School visits, which play a vital role in providing children with first hand experiences of the topics being studied.
- The richness and diversity of experiences, both within and outside the curriculum, offer opportunities for success, independence and well developed self esteem and confidence for all children.
- A high quality learning environment where the display of children's work is paramount. This develops an ethos of high expectation and helps promote a sense of pride and achievement. A school that builds partnerships with families and the wider community.
- The promotion and development of tolerance and respect for others.
- Valuing all regardless of gender, religious belief and ethnicity to ensure that all learners have equal opportunity.

At Canklow Woods Primary School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better. We have welcomed the Government's announcement in June 2013 to provide additional funding until 2020 to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

Pupil Premium Sport Grant – April 2015/16

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2015. All schools with 17 or

more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools will receive £500 per pupil.

Total amount of Sport Premium Grant received	£8925
Remainder from 2014/15	0.00
Amount spent	£14,542
Amount remaining /over spend (from school budget)	£5617

What does the Sport Premium mean for my School?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013). We have decided to spend the Pupil Premium Sport Grant on the following:
